Maxx Tech PSVR™2 Charging Stand Kit

Specially designed for PSVR™2. Charges both PSVR™2 Controllers simultaneously, with discreet magnetic charging adaptors for a drop and charge functionality. Includes a headset stand for storage and display of your PSVR™2 headset while your controllers are on charge.

PSVR2 Charging made easy – simultaneously holds and charges 2 x PSVR™2 controllers at once, with the magnetic charging adaptors for a simple drop and charge system. Including a transparent headset stand to store and display the PSVR2 headset and cable tidy to wrap the PSVR™2 headset cable to neaten up those pesky cables! Well designed cable tidy has a magnetic connection enabling for quick and easy access without having to unravel the cable every time.

Built in LED ambient lighting – Adjust the LED lighting effects with a simple touch of a button, with 7 colours to choose from and a rainbow effect. **Indicator Lighting** – No matter the single colour you have chosen the indicator lighting will show the state of the charge, slowly breathing = Charging, Solid = Charged.

Quick charging – Fully charge both PSVR™2 controllers in just 1.5-2 Hours, so you can get back into the VR world as quickly as possible.

Box includes – Maxx Tech Controller Charger & Headset Stand for PSVR™2, 2 x USB-C magnetic charging adaptors, USB A to USB C Charging cable 1m and manual.
